

Application ComLab#6

Video Guidelines

TECHNICAL DETAILS

Please make sure to follow these guidelines when filming your application video:

- You don't necessarily need to use a camera to record your video, a smart phone works just fine.
- Please record the video in landscape/horizontal format (16:9 – rectangular, no square frames).
- Choose a well-lit setting, no backlight please.
- Find a quiet spot for the recording. Avoid loud and distracting background noise.
- File formats: mp4, mov, avi, mpeg
- Length: approx. three minutes

Please send the material, ideally via <https://wetransfer.com/> download link, to comlab@ijp.org.

CONTENT

Please make sure to cover the following information in your video:

- Your name, country of origin, current residence, year and title of your IJP fellowship programme
- If applicable, your experience with science journalism so far
- Please answer the following questions:
 - Why should we care about science communication?
 - Why would you like to be part of ComLab?
 - What do you hope to achieve in ComLab#6?
 - What can you contribute to ComLab#6?
